AREA ATTENDAMENTI E CONTAINERS	
Dati generali	
Indirizzo	c.da Masicugno
Latitudine	36°49'24.26"N
Longitudine	14°55'23.82"E
Altitudine	154 m
Numero superfici disponibili	10
Superficie totale impegnata	20 300 m²
Dati tecnici	
Tipologia impianto	Pensiline, pergole, tettoie
Potenza di picco	993,60 kW
Numero totale moduli	4140
Inclinazione dei moduli (Tilt)	10°
Orientazione dei moduli (Azimut)	0°
Energia totale annua	1 519 928,84 kWh

The image displays a detailed architectural site plan and a corresponding cross-section of a parking structure. The site plan, oriented vertically, shows a large rectangular parking area with multiple rows of parking spaces. The spaces are labeled with numbers (e.g., 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100). The plan includes a north arrow in the top left corner, a scale bar (0m, 10m, 20m), and a title block in the top right corner. The title block contains the text "Progetto di Realizzazione di un'Area di Parcheggio", "Progetto Architettonico", "Scalatura 1:500", "Foglio 1", and "Data: 10/01/2018". The site plan also shows a road labeled "Via S. Carlo" and a green area labeled "Area Verde".

The cross-section, located at the bottom of the image, illustrates the structural design of the parking structure. It shows a series of inclined supports (trusses) that hold up the roof of the parking spaces. The structure is designed to be a single-story building with a flat roof. The cross-section includes dimensions for the height of the structure (4.48m), the width of the parking spaces (6.00m), and the height of the roof (2.46m). The structure is shown supporting a car and a person, indicating its load capacity. The cross-section is labeled "STRUTTURE DI SOSTEGNO - scala 1:100".
